PRODUCT DETAILS	Ideal for eco-conscious event invites, memorable business cards, or sustainable notes, our A7 seed paper helps your brand make a lasting, green impression. Sustainably Printed Our A7 seed paper is high quality, recycled 220gsm plantable paper produced from waste material originating from the textile industry. We print each sheet in-house right here in the UK, minimising our carbon footprint while ensuring your message grows into a lasting, beautiful wildflower display. Grow Anywhere, Anytime! Our seed paper is exceptionally versatile, making it a perfect fit for garden beds, flower pots, and planters. So, if you're confined to a flat or perhaps living on a hypothetical spaceship, you can still enjoy the blooms. Just plant, water, and watch your flowers grow. Customise with Your Brand Get your message across clearly with full-colour printing options on one or both sides of this seed paper, amplifying your brand's commitment to both quality and sustainability.
